

# Patrick Nuo, The Air That I Breathe

I made a promise to myself  
Never to forget you  
And every little word you said that night  
I didn't mean to make you cry  
I didn't mean to hurt you  
Hope you listen from the other side

On my mind  
She never fades away  
Every night  
I can hear her calling

She's the air that I breathe  
All over and inside of me  
Still somewhere in my dreams  
She's the only thing that I can see

So how I feel you still around  
in every single second  
Impossible to find another star  
Wherever life will take me  
No matter what they say  
You'll always be the ghost within my heart

On my mind  
She never fades away  
Every night  
I can hear her calling

She's the air that I breathe  
All over and inside of me  
Still somewhere in my dreams  
She's the only thing that I can see

She's the air that I breathe  
All over and inside of me  
Still somewhere in my dreams  
She's the only one

And I'm waitin'  
To hear your voice again  
Tellin' me that  
We didn't reach the end  
Just shinin'  
Body to my soul  
You make me breathe again

She's the air that I breathe  
Everything I need

She's the air that I breathe  
All over and inside of me  
Still somewhere in my dreams  
She's the only thing that I can see

She's the air that I breathe  
All over and inside of me  
Still somewhere in my dreams  
She's the only thing that I can see

She's the air that I breathe  
The air that I breathe
