

Patrick Silvar, Fuse (piosenka na Eurowizja 2023)

Call me baby now
I wanna hear you talking loud
I wanna hear you whisper sound

Give me love tonight
I wanna get your love tonight
You know I'm giving all of mine
Let's write a story of our lives

Time is running and running
Don't wanna waste our loving

We have this feeling so we
We can ignite the light

It is a little bit funny
As we know what we are hiding
I'm stepping out from the darkness
Ignite the light

Fuse in my heart
Is waiting for your fire
Are we gonna light it up and keep alive

Fuse in my heart
Is waiting for your fire
Are we gonna light it up and keep alive

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Call me baby now
Call me baby now
I wanna taste some deeper love
My heart is craving deeper love

Mirror is a light
Reflection of my darkest side
I'm turning black, to red and white
I'm writing story of my life

Fuse in my heart
Is waiting for your fire
Are we gonna light it up and keep alive

Fuse in my heart
Is waiting for your fire
Are we gonna light it up and keep alive

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Oh oh oh oh oh
Oh oh oh oh oh
Oh oh oh oh oh

Oh oh oh oh oh
