

# Patrick Wolf, Tristan

I am the tragedy  
And the heroine  
I am lost And I am rescuing

The storm is come  
And I am following

My name is Tristan  
And I am alive

Forever young  
I come from God knows where  
'Cos now Im here  
Without a hope or care

I am trouble  
And I am troubled too

My name is Tristan  
And I am alive

Sorrow by name  
And sorrow by nature  
Working for joy  
On overtime

Stuck on a line  
Of misadventure  
I fear no crime

I am the victim  
And the murderer  
You speak of love  
But Ive never heard of her

I am fucked  
And I am fucking too

My name is Tristan  
And I am alive
