

# Patsy Cline, For Rent

(Written by Sonny James and Jack Morrow)

For rent, for rent, an empty heart  
Just say the word and you can move right in  
A long-term lease can be arranged  
And it will never be for rent again

I don't need no money, 'Cause it won't last  
Just lots of lovin', that's all I ask  
Oh, my baby, for rent, for rent, an empty heart  
Just say the word and you can move right in

Instrumental

I don't need no money, 'Cause it won't last  
Just lots of lovin', that's all I ask  
Oh, my baby, for rent, for rent, an empty heart  
Just say the word and you can move right in...
