

Patti Austin, Reach

I was lost, filled with hesitation
Without a plan, no determination
Until we met, you were my salvation
And now I know
There's nothing I can't do in my life
As long as I have you in my life
You let me see the strength I have so deep inside
Now I believe
I know that I can

CHORUS

REACH

for a shing new tomorrow

REACH

for a better day, a better day

REACH

for something higher, something brighter

REACH for the love

REACH for the love

Oh

And when I rise a brighter love is shining

And everyday I'm gonna keep on trying

And though the road is sometimes long and winding

Come walk with me

Every step of the way and my life

is better every day yes, my life

is better for the deeper love you've shown to me

Now I believe I know that I can

CHORUS

REACH out REACH out REACH out

Every step of the way

CHROUS...
