

# Patti Austin, Say You Love Me

Don't you know that I want to be more than just your friend  
Holdin' hands is fine, but I've got better things on my mind  
You know it could happen if you'd only see me in a different light  
Maybe when we finally get together, you will see that I was right

Say you love me  
You know that it could be nice  
If you'd only say you love me  
Don't treat me like I was lice, ooh, woo, woo

Please love me  
I'll be yours and you'll be mine  
If you'd only say you love me, baby  
Things would really work out fine

Say that you love me  
Mmm...mmm...ooh...ho...ho...  
Say that you love me  
Mmm...mmm...mmm...

Hoo...hoo...baby  
Would you say you love me  
You know that it could be nice  
If you'd only say you love me  
Don't treat me like I was lice, ooh, woo, woo

Please love me  
I'll be yours and you'll be mine  
If you'd only say you love me, baby  
Things would really work out fine

If you'd only say you love me, darlin'  
Things would really work out fine  
If you'd only say you love me, darlin'  
Things would really work out fine
