

# Patti LaBelle, Come As You Are

You're a victim of the life you lead  
In your heart of hearts you can't concede  
That you could be so much more  
Can't breathe in this atmosphere  
You're afraid you're gonna disappear  
Into yourself  
And become someone else

Come as you are  
I'll be here for you  
Come as you are  
Let me adore you  
My open arms are waiting for you  
All you have to do is come as you are

Doesn't matter how you paint your face  
There's a beauty that you can't erase  
That mirrors the heart of your soul  
(Who says) angels aren't suppose to cry  
(Who says) that you have to let your life slip by  
and never reveal  
the passion you feel

Come as you are  
I'll be here for you  
Come as your are  
let me adore you  
My open arms are waiting for you  
all you have to do is come as you are

You've got to gather up your confidence  
and wear it like a halo  
open your eyes so you can see...yourself  
I will always be right here for you  
Just show me what's real  
Try to reveal  
The passion you feel

Come as you are  
I'll be here for you  
I'm waiting for you  
All you gotta do  
All you have to do it  
Come as you are  
I will adore you  
All you have to do  
Is come  
Come as you are
