

# Patti LaBelle, If You Love Me

Should I catch a shooting star  
Shall I bring it where you are  
If you want me too  
I will.

You can sex me anytime  
I'll do anything you ask  
If you only love me still.  
If the sun shall come up from the sky  
If the sea shall suddenly run dry  
If you love me  
Really, me let it happen  
I, I won't care.  
If it seems, that everything is lost  
I shall smile and never count the cost.  
If you love me really love me  
Let it happen darline i won't care.

Should i catch a shooting star,  
Shall i bring it where you are, If you want me to, i will.  
You can sex me anytime I'll do anything you ask, if you ask me too  
If you only love me still.

When at last, all life on earth is through,  
I will spend eternity with you, if you love me, really love me, let it happen, darline i won't care, oh no  
Ohh if you love me, really love me yes,  
Let, let it happen, i won't care, ohhh no, if you love, love me really love me yes.  
Let it happen let it happen, i won't care.  
I won't care
