Patti Smith, Distant Fingers

When, when will you be landing? When, when will you return? Feel, feel my heart expanding You and your alien arms

All my earthly dreams are shattered, I'm so tired I quit Take me forever, it doesn't matter Deep inside of your ship.

La, la la la la landing. Please, oh oh won't you return? Feel, see your blue lights are flashing, You and your alien arms

Deep in the forest I whirl like I did as a little girl Let my eyes rise in the sky looking for you Oh you know, I would go anywhere at all 'Cause no star is too far with you, with you

La, la la la la landing. Please, oh oh won't you return? Feel, feel my heart expanding, You and your alien arms

All my earthly dreams are shattered, I'm so tired I quit
Take me forever, it doesn't matter
Deep inside of your ship
Land, land

Oh I am waiting for you, Oh I am waiting for you, oh I am waiting for you, Waiting for you to take me up by my starry spine Ohhhh ohhhh with your distant fingers Oh I'm waiting for you, waiting for you, Oh I am waiting for you
