

# Patti Smith, Dream Of Life

Na na na na na  
Na na na na na

I'm with you always  
You're ever on my mind  
In a light to last a whole life through  
Each way I turn  
the sense of you surrounds  
in every step I take  
In all I do  
Your thoughts your schemes  
captivate my dreams  
Everlasting, ever new

Sea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with you

Deep in my heart  
How the presence of you shines  
In a light to last a whole life through  
I recall the wonder of it all  
Each dream of life I'll share with you

Sea returns to sea  
And sky to sky  
In a life of dream am I  
When I'm with you

I'm with you always  
You're ever on my mind  
In a light to last a whole life through  
The hand above  
turns those leaves of love  
All and all a timeless view  
Each dream of life  
Flung from paradise  
Everlasting, ever new

Dream of Life
