I Know you're married but i love you still

The day I met you my heart spoke to me it said to love you through eternity
I know exact you were another's pride i vowed i always be close by your side

CHOURS#1

I love you darlin and i always will

I know you're married but i love you still

You broke a heart dear that would die for you

i'd give the world if i could be with you

The game is over now i know I've lost my broken heart will have to pay the cost
