

# Patty Loveless, Once In A Lifetime

(Katz/Swilling)

All my life, I tried to find  
Someone to love me  
And though the night is lonely  
And no one's there to hold me  
I would rather be alone  
Then be without you  
'Cause no one else will do

And just once in a lifetime  
Someone like me can find  
Someone to love  
Like you  
And nobody else will do

All my days, are spent this way  
With no one to talk to  
And oh the rain keeps fallin'  
And I hear your voice  
Keep callin'  
I'd rather be alone  
Then without you  
'Cause no one else will do

And just once in a lifetime  
Someone like me can find  
Someone to love  
Like you  
And nobody else will do

And just once in a lifetime  
Ohh someone like me can find  
Someone to love  
Like you  
And nobody else will do  
Nobody else will do  
'Cause nobody else will do
