

# Patty Loveless, Silent Night

Silent night, Holy night,  
All is calm, all is bright,  
'Round yon Virgin Mother and Child  
Holy Infant so tender and mild,  
Sleep in heavenly peace,  
Sleep in heavenly peace.

Silent night, Holy night,  
Shepherds knelt at the sight,  
Glories beam from heaven on high,  
Heavenly hosts sings Alleluia;  
Christ the Savior is born,  
Christ the Savior is born.

Child of God, love's pure light.

Oh 'Round yon Virgin the Mother and Child  
Holy Infant so tender and mild,  
Sleep in heavenly peace,  
Sleep in heavenly peace.
