

Patty Loveless, The Last Thing On My Mind

I don't love him anymore
Just ask all my friends
I've told 'em and I tell 'em time and time again
I don't have no regrets
No, I'm not that kind
Honestly, he's the last thing on my mind

CHORUS:

When the day turns into dusk
The shadows start to fall
And this empty bed's as big as Arkansas
When I'm drifting off to sleep
Something in my broken heart rewinds
He's the last thing
He's the last thing on my mind

Now, rushing through the day
I might seem improved
There isn't time to second-guess my foolish moves
No, I can only see
Once the lights go out
What it is that I can live with and without

REPEAT CHORUS 2X
