

Patty Loveless, Wine Women And Song

While I'm at home a workin' and slavin' this way
You're out a misbehavin' spending all of your pay
On wine women and song

While I'm a makin' beds you're out a makin' time
You rob my piggy bank and spend my last thin dime
On wine women and song

Well one of these nights your gonna come home you'll find it coming home to you
You'll see what you've done and what's good for one
It's also good for two
When you're in the doghouse with that mangy ole pup
You may start to thinkin and a givin' up
Your wine women and song

(Instrumental bridge)

Well one of these nights you're gonna come home and find it coming home to you
You'll see what you've done and what's good for one it's also good for two
When your in the doghouse with that mangy ole pup
You may start to thinkin and a givin' up
Your wine women and song
