Paul Anka, All Of A Sudden My Heart Sings

The secret way you hold my hand to let me know you understand the wind and rain upon your face the breathless world of your embrace your little laugh and handsome cries the star light gleaming in your eyes remembering all those little things all of a sudden my heart sings

All of a sudden my heart sings when I remember little things the way you dance and hold me tight the way you kiss and say good night the crazy things we say and do the fun it is to be with you the magic thrill that's in your touch oh darling I love you so much

The secret way you hold my hand to let me know you understand the wind and rain upon your face the breathless world of your embrace your little laugh and handsome cries the star light gleaming in your eyes remembering all those things all of a sudden my heart sings
