

Paul Anka, Anytime (I'll Be There)

Crazy love it's just a crazy love
I love you so but I still know
It's a crazy love
Crazy love it's just a crazy love
What must I do to get through to you
Oh my crazy love
Everything's wrong heaven above
Set me free from this crazy love
Don't don't don't don't you see
What you are doing to me
You upset my heart right from the start
With your crazy love
Crazy love,crazy love
Crazy love,crazy love
