Paul Anka, Wonderwall

[Originally by Oasis]

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

Backbeat the word was on the street That the fire in your heart is out I'm sure you've heard it all before But you never really had a doubt I don't believe that anybody feels The way I do about you now

And all the roads we have to walk along are winding And all the lights that lead us there are blinding There are many things that I would Like to say to you I don't know how

Because maybe You're gonna be the one saves saves me? And after all You're my wonderwall

Today was gonna be the day But they'll never throw it back to you By now you should've somehow Realized what you're not to do I don't believe that anybody Feels the way I do About you now

And all the roads that lead to you were winding And all the lights that light the way are blinding There are many things that I would like to say to you I don't know how

I said maybe You're gonna be the one who saves me? And after all You're my wonderwall

I said maybe You're gonna be the one who saves me? And after an You're my wonderwall

Said maybe You're gonna be the one that saves me You're gonna be the one that saves me You're gonna be the one that saves me
