

# Paul Brandt, I Meant To Do That

A rose in a box, wrapped up in dreams  
A card that explains how much your love means  
A table for two with soft candlelight  
The words "I love you," somewhere in the night

## CHORUS:

I meant to do that  
Does that mean a thing  
If you wanted songs  
Then I meant to sing  
I'd give you the world  
If you'd give mine back  
What I didn't do  
I meant to do that

Late in the night, nothing to say  
Maybe a call to talk anyway  
A letter or two with some words that rhyme  
To promise you love, for now and all time

## CHORUS

Hold onto the love you gave until the end of time  
And love you more every day, until you know that

## CHORUS
