

Paul Brandt, Run To Me

When you're all alone in the dark
And it's hard not to be afraid
When your candle's losing it's spark
And it seems that you can't find your way
Look straight ahead, don't cry and don't look back
Leave your regrets behind you in the past
Run to me

I will always be
The hand you can hold when you're lonely and cold
I will warm you I adore you
You're always in my heart
No matter where you are
When it's love you need (Come to me)
Baby you can run to me

Nothing you ever say
And nothing you could ever do
Is gonna change the way
That I'll always be loving you
I'll be your sky, I'll be a soft place to fall
Baby this love is unconditional

When it's midnight on a winding road
And you don't know where you are or where to go
Through the rain, call my name,
And I will run to you.
