

# Paul Carrack, Only A Breath Away

You might think I keep my distance  
You might think I have no plans to stay  
You might think I have no weakness  
But you don't understand a word I say  
I tell you honestly  
You know you mean the world to me  
And if you're ever in need  
I'll tell you where I'm gonna be  
Oh yeah alright  
Well I'm only a breath away  
Oh yeah don't cry  
Cause I'm only a breath away  
Only a breath away  
Never been a single moment  
Never even been a day gone by  
When I haven't felt your presence  
Deep within my heart and in my mind  
No matter where you are  
I'll be with you constantly  
And when you're feeling alone  
All you have to do is think of me
