

Paul Dave, High Wire (feat. Anna Montgomery)

Tonight- gonna hold on for dear life - gonna hold you tight
Love games- we play them with pleasure and pain- and you know it's name
alright- Admit it you're in it to win it- it's part of the show
oh no- the circus of lovin we're livin- oh oh oh

Up and Down
in and out
on fire
High Wire

Down and Up
what a rush
go higher
High Wire

You know- we're walkin a fine line- gotta take our time
Don't look- it's a long way down- we might hit the ground
Love hate- we're pushin and shovin and lovin' - the thrill of the danger
oh no- punish ourselves for nothin- oh oh oh
