## Paul Dave, High Wire (feat. Anna Montgomery)

Tonight- gonna hold on for dear life - gonna hold you tight Love games- we play them with pleasure and pain- and you know it's name alright- Admit it you're in it to win it- it's part of the show oh no- the circus of lovin we're livin- oh oh

Up and Down in and out on fire High Wire

Down and Up what a rush go higher High Wire

You know- we're walkin a fine line- gotta take our time Don't look- it's a long way down- we might hit the ground Love hate- we're pushin and shovin and lovin' - the thrill of the danger oh no- punish ourselves for nothin- oh oh
