

# Paul Gilbert, 2 Become 1

Candle light and soul forever,  
A dream of you and me together,  
Say you believe it, say you believe it  
Free your mind of doubt and danger  
Be for real, don't be a stranger  
We can achieve it, we can achieve it  
Come a little bit closer, baby, get it on, get it on  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya, baby)  
I had a little love, now I'm back for more  
(wanna make love to ya, baby)  
Set your spirit free, it's the only way to be

Silly games that you were playing,  
Empty words we both were saying,  
Let's work it out, girl, let's work it out, girl  
Any deal that we endeavour,  
Boys and girls go good together  
Take it or leave it, take it or leave it  
Are you as good as I remember, baby, get it on, get it on  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya, baby)  
I had a little love, now I'm back for more  
(wanna make love to ya, baby)  
Set your spirit free, it's the only way to be

Be a little bit wiser, baby, put it on, put it on  
'Cause tonight is the night when two become one

I need some love like I never needed love before  
(wanna make love to ya, baby)  
I had a little love, now I'm back for more  
(wanna make love to ya, baby)  
I need some love like I never needed love before  
(wanna make love to ya, baby)  
I had a little love, now I'm back for more  
(wanna make love to ya, baby)  
Set your spirit free, it's the only way to be  
It's the only way to be  
It's the only way to be  
It's the only way to be
