Paul Gilbert, Double Trouble

Got a girl named Michelle
She been treatin' me so well
I don't even want to tell you about her

Got a friend named Marie
She been so good to me
I don't know if I could ever do without her

Double Trouble
Gotta stop livin' this lie
I'm in serious trouble
Both girls wavin' bye bye

Took advice from a friend
If I want my pain to end
All I have to do is send her a letter

Soon my heart felt anew
So I started writin' two
To make myself feel twice as better

Double Trouble
Gotta stop livin' this lie
I'm in serious trouble
Both girls wavin' bye bye
