

Paul Gilbert, I'm Just In Love

Mama if you think I'm too crazy
I'm just in love
Mama if you think I'm too lazy
I'm just in love

Chorus
Mama I know you remember
How it felt so hot in December
Mama if you think I'm crazy
I'm just in love

Mama from the moment I saw her
I was in love
Mama gonna make her your daughter
I'm so in love

Repeat chorus

Mama we're gonna be married
Some time next February
So sing a song
There's nothing wrong with me
I'm just in love
