

# Paul Gilbert, Terrible Man

I'm a terrible man  
I'm a terrible man  
Since I done my baby wrong  
I'm a terrible man  
Got wall to wall carpet  
In my custom Dodge van but  
I'm a terrible man

I'm a terrible man  
I'm a terrible man  
Since I done that girl so wrong  
I'm a terrible man  
Got a condo on the beach  
And a California tan but  
I'm a terrible man, I'm a terrible man

I'm a terrible man  
I'm a terrible man  
Since I left her standing alone  
I'm a terrible man  
Got a solid gold record  
With my rock and roll band  
Everybody's being nice to me  
But they don't understand, no  
I'm a terrible man, I'm a terrible man
