

Paul McCartney, Children, Children

I know a tiny waterfall
A magic little place
Where we can play together
And watch the fishes race
Children Children, where are you?
Hiding in the forest, playing in the rain
I hope you're not to far away
For me to see you again
Oh well, I know where there's a fairy
Who will invite us all to tea
But she won't let me in alone
You have to come with me
Children Children, where are you?
Hiding in the forest, playing in the rain
I hope you're not to far away
For me to see you again
I know a tiny waterfall
A magic little place
Where we can play together
And watch the fishes race
Children Children, where are you
Hiding in the forest, playing in the rain
I hope you're not to far away
For me to see you again
