

# Paul McCartney, Man We Was Lonely

Man, we was lonely,  
Yes, we was lonely,  
And we was hard pressed to find a smile.  
Man, we was lonely,  
Yes, we was lonely,  
But now we're fine all the while.

I used to ride on my fast city line,  
Singing songs that i thought were mine alone, alone.  
Now, let me lie with my love for the time  
I am home, home, home.

Man, we was lonely,  
Yes, we was lonely,  
And we was hard pressed to find a smile.  
Man, we was lonely,  
Yes, we was lonely,  
But now we're fine all the while.

Now, let me lie with my love for the time  
I am home, home, home.

Man, we was lonely,  
Yes, we was lonely,  
And we was hard pressed to find a smile.  
Man, we was lonely,  
Yes, we was lonely,  
But now we're fine all the while,  
But now we're fine all the while,  
But now we're fine all the while.
