Paul McCartney, No More Lonely Nights

I can wait another day until I call you You've only got my heart on a string And everything a'flutter But another lonely night might take forever We've only got each other to blame It's all the same to me love 'Cause I know what I feel to be right No more lonely nights No more lonely nights You my guiding light Day or night I'm always there May I never miss the thrill of being near you And if it takes a couple of years To turn your tears to laughter I will do what I feel to be right No more lonely nights (never be another) No more lonely nights You my guiding light Day or night I'm always there And I won't go away until you tell me so No, I'll never go away Yes, I know what I feel to be right No more lonely nights (never be another) No more lonely nights You my guiding light Day or night I'm always there And I won't go away until you tell me so No, I'll never go away And I won't go away until you tell me so No, I'll never go away No more lonely nights
