Paul McCartney, Singing The Blues

Well, I never felt more like singing the blues And I never thought that I'd ever lose your love Why did you do me this way? Well, I never felt more like crying all night Everything's wrong But nothing is right without you You've got me singing the blues Well, the moon and the stars no longer shine

The dream is gone I thought was mine

There's nothing left for me to do

But cry-i-i-i over you

Cry over you

Well, I never felt more like running away

And why shouldn't I go

'Cause I couldn't stay without you You've got me singing the blues.

Well, the moon and the stars no longer shine

The dream is gone I thought was mine

There's nothing left for me to do

But cry-i-i-i over you

Cry over you

Well, I never felt more like running away

And why shouldn't I go

'Cause I couldn't stay without you

You've got me singing the blues

(Mr. Paul Wiggins, Come on Paul)

Well, the moon and the stars no longer shine

The dream is gone I thought was mine

There's nothing left for me to do

But cry-i-i-i over you

Cry over you

Well, I never felt more like running away

And why shouldn't I go

'Cause I couldn't stay without you

You've got me singing the blues

You've got me singing the blues

You've got me singing the blues, ooh
