Paul McCartney, Twice In A Lifetime

Now I know that it can easily happen To someone like me I don't want to step on anybody's toes

Who knows how to find love Think before you give your answer Who knows what a mystery may bring

Once in a life I'm a lucky man If I can find the kind of love That's gonna last for me

Twice in a lifetime Is one of those unspoken dreams We usually reserve for fantasy

Who knows how we find love Stop before you give your answer Who knows when a mystery begins

I know, I know I know because it's happening to me I know, I know

Twice in a lifetime Is one of those unspoken dreams We usually reserve for fantasy

Who knows how we find love Stop before you give your answer Who knows when a mystery begins

I know, I know I know because it's happening to me I know, I know
