

# Paul McCartney, Used To Be Bad

I used to be bad  
But I don't have to be bad no more  
Yeah, I used to be bad  
But I don't have to be bad no more  
Well ain't no doubt about it, people  
It's something you can't ignore

Well, I ain't good looking  
People, you know I've been up on a shelf  
Yes, I know I ain't good looking  
And I've been put up on the shelf  
But I got a sweet disposition  
I like to enjoy myself

I used to be bad  
But I don't have to be bad no more  
Yeah, I used to be bad  
But I don't have to be bad no more  
You know I learned my lesson  
A long, long time ago

Well, no matter what you say  
No matter what you do  
You got one life to live  
It's gonna come back home to you  
I used to be bad  
But I don't have to be bad no more  
You know I learned my lesson  
A long, long time ago

The good Lord made this world  
And everything that's in it  
The way I see it, baby  
You got to love it to the limit  
Oh yes, now people  
It's something you can't ignore  
Yes I used to be bad  
But I ain't gonna be bad no more

Well, the way you treat me darling  
Made me understand  
Never quit you baby  
I'm gonna love you to the end  
Yeah, I used to be bad  
But I ain't gonna be bad no more  
Yes, I learned my lesson  
A long, long time ago

Yes, I learned my lesson  
A long, long time ago  
Yes, I learned my lesson  
You're gonna reap just what you sow
