

Paul Oakenfold, Southern Sun (Dj Tiesto Remix)

'piece by piece
i release,
once was mine
now undone,
turned blue like New
orleans,
and went down like
a southern sun,
i still feel you
beneath my skin,
i am tempted
to throw my senses in'
'coz it's easier to fly,
than to face another night in southern sun,
and your love is all around'

i'm deflated,
i am pieces on the wind
