English:

Poppy, pretty little poppy
My soul will always be only yours
I love you, my dear girl,
As the flower loves day's light.
Poppy, pretty little poppy,
Don't be so hard and love me.
Poppy, poppy
How can you live so alone.

I love you, my dear girl.
The same as the flower loves day's light.

Poppy, pretty little poppy,
Don't be so hard and love me.
Poppy, poppy
How can you live so alone
