

# Paul Van Dyk, Get Back

Back to you ....

Back to you , that's where I go  
When I'm so fed up,  
When I can't go on  
In your arms , ?  
When I'm awfully tired  
When I need love  
An I need love

It's 3 AM when I can hear you breathing  
No , I'm fast asleep  
No , I'm deeply dreaming  
In your arms , ?

When I'm awfully tired  
When I need love

Back to you ....

Back to you ....

Back to you , that's where I go  
When I'm so fed up,  
When I can't go on  
In your arms , ?  
When I'm awfully tired  
When I need love  
An I need love
