Paul Wall, Did I Change

There's one thing i've learned in life man as u get older thangs change. friends change people change it just how it go man-

chorus: i dunno if its just me did i change did they change its messed up it'll never be the same let me tell u man its nothin like lyour

Verse 1: I got alot of fish to fry but one thing ive learned is you cant teach a fish to fly kiss good bye

chorus

verse 2: ... I remember the shit like yesterday in front of the highs gettin high lookin for the next stag

chorus

Dear Lord i need your blessin so im askin for help to handle all these cituations that come wit this v chorus
