

Paul Weller, Down In The Seine

Catch me I'm falling so fast and I can't seem to find
All the reasons I had when the purpose was mine
Now I stumble so fast rolling into the night
Kiss me quick before I land and am broken in two
Keep me on the right track, hold my dreams intact too -
I get lost in this place - I get lost, yes its true

In the waters I sink - In the waters I drink
Til I rise to the top - Which in truth is not
It's the same as below - We can put on a show
To make you feel you're alright - To make you feel there's no fight

Help me I'm sinking so fast into waters unplanned
That I once held onto but have got out of hand
Now the things that I loved are the things I can't stand
Squeeze me slow before I come to that part of the ground
It's a million miles up and a million miles down
I get lost in between and I wait to be found

In the waters I sink - In the waters I drink
Til I rise to the top - Which in truth is not
It's the same as below - We can put on a show
To make you feel alright - To make you feel there's no fight

Catch me I'm falling so fast
Catch me I'm falling so fast
Catch me I'm falling so fast
