## Paul Weller, Has My Fire Really Gone Out

And when I open my eyes - will it then be morning? First rays of summer sun - coming down and shining And if I open my heart and say all that you would want Hope faith and all I believe will be there to greet me

And if I open my head remember all that I said Hey baby what will you find - coming down to meet you?

A lot of words but no one talking I don't want no part of that Something real is what I'm seeking One clear voice in the wilderness

And put an end to all your doubts - Has my fire really really gone out?
