

Paul Weller, I Know A Place

i know a place not far from here
where fresh cut grass can fill your hair
and if you want i`ll take you there
if you want i`ll take you there
you took the light out of the dark
where only love can heal your heart
and if you want i`ll make it start
if you want i`ll make it start
this place is a
half hour away
is that so far to go so near
and further on, we`ll find the time
lose the discontent we fear,
that we fear
i know a place not far from here
where fresh cut grass will fill you hair
and if you want i`ll take you there
if you want i`ll take you there
I feel the time we`ve yet to reach
is not yet within our own belief
and i`m safe - sure that it will come
as it goes on and on
yeah it goes on and on
oh it goes on and on
woah it goes on and on
YEAH it goes on and on and on and on ...
i know a place not far from here
where fresh cut grass can fill your hair
and if you want we`ll live out there
if you want we`ll live out there
