

# Paul Weller, Invisible

I'm Invisible  
Float across the floor  
You can't even see me  
Drift through walls and tables  
But you still don't believe me  
I'm not one to give up  
But I feel I'm at a loss

To you I'm invisible  
Pass through doors and windows  
You won't even know it

There was a time  
I thought every hair on my body was alive  
And so it was  
Now you can't even see  
The graying and time  
I'm not one to give up  
But I feel I'm at a loss

The world doesn't grow  
any darker  
I just feel the colour drain from me  
Hey, I've become invisible

Invisible  
I skim across the floor  
You can't even see me  
I make a joke  
And toss a line  
To no one there  
Who can see me alive  
I don't want to give up  
But I feel I'm at a loss

I'm Invisible
