

Paul Westerberg, Ain't Done Much

I ain't done much but what I done's alright
I ain't done much but what I done's alright
Babe in case you wanted to know
Babe in case you wanted to know
Babe in case you wanted to know
I ain't done much but what I done's alright
I ain't done much but what I done's alright
Babe in case you wanted to tell
Babe in case you wanted to tell
Babe in case you wanted to tell
I ain't done much but what I done's alright
I ain't done much but what I done's alright
I ain't done much but what I done's alright
I ain't done much but what I done's alright
Alright
Oh oh oh oh oh oh oh oh
Babe in case you wanted to fight
Babe in case you wanted to fight
Babe in case you wanted to fight
I ain't done much but what I done's alright
Alright
I says I ain't done much but what I done's alright
I ain't done much 'cept what I'll be doin' tonight.
