

Paul Young, I'm Gonna Tear Your Playhouse Down

Everything must change -
I was never one to back out of an argument
and say I was wrong.
Even when I'd seen the other side
I'd hide my foolishness and carry on.
But still I'd embarrassed
'Cause they'd seen what happened and they playin' along.
Until I backed myself into a corner
I will only realize when they had gone.
And like a dream alive
a reason - everything must change.
- Every-
everything
everything must change -
And like a world this earth and seasons -
everything must change.
- Every-
everything
everything must change -
In the same way when we disagree
I wouldn't be the one to back down.
Still I'd know that you had faith in me
Tell me something am I letting you down?
'Cause when I woke up and I saw the note
You pressed into the mirror frame
But it was easy to be angry at you
But deep inside I know
we share the blame.
And now
like a dream alive
a reason -
everything must change. . . .
I'm going back to the top to start myself off
But first of all something's I need to know:
When I'm scared of being wrong again
Won't you be the one I turn to
to let me know
oh let me know.
Oh
please
let me be right for once
'Cause right now all I feel
I do is wrong.
And it's never too late to learn about love
And this victim needs your hand to hold on.
And like a dream alive
a reason - everything must change . . .
And like a dream alive
a reason - everything must change.
And like a world this earth and seasons -
everything must change
And like a dream alive
a reason - everything must change. . . .
