

# Paul Young, Love Is In The Air (Single Version)

Love is in the air, everywhere I look around  
Love is in the air, every sight and every sound  
And I don't know if I'm being foolish  
Don't know if I'm being wise  
But is something that I must believe in  
And it's there when I look in your eyes

Love is in the air, in the whisper of the trees  
Love is in the air, in the thunder of the sea  
And I don't know if I'm just dreaming  
Don't know if I feel sane  
But it's something that I must believe in  
And it's there when you call out my name

Love is in the air, love is in the air

Love is in the air, in the rising of the sun  
Love is in the air, when the day is nearly done  
And I don't know if you're illusion  
Don't know if see it true  
But you're something that I must believe in  
And you're there when I reach out for you

Love is in the air, everywhere I look around  
Love is in the air, every sight and every sound  
And I don't know if I'm being foolish  
Don't know if I'm being wise  
But it's something that I must believe in  
And it's there when I look in your eyes

Love is in the air, love is in the air  
Love is in the air, love is in the air
