

Paula Abdul, When Im Standing by Your Side

Ooh work it baby
A give me that vibe
Uh what is it?
(1) Ya got that vibeology
That V-I-B-Eology
Your body is pumped
Next to me
Ya got that sensuality
And oh I love what ya do
When ya do what ya do
Ya got me pumped
In the groove
When ya move
I'm in a funky way I'm
I'm in a funky way I'm
Horny horns!!
I'm in a funky way a
Give me that
I'm in a funky way a
Give me that vibeology
Vibeology now what is that?
Well it's the study
Of the chemistry
Between you and me.
