

# Pauline, Give Me A Call

Give me a call.

I miss you, you know i really do.

whenever you're gone just give me a call

I miss you babe, you know I really do, whenever you're gone just give me a call.

I want you baby, I need your touch.

I'm holding on but I can't let you go, no.

You're a part of me.

I wanna tell you how I feel, nothing can stop me from loving you.

It's all in the things you do.

There's nothing I won't do to have you next to me.

But all I do is letting you down, letting you down.

So how in the world can I make you listen to me and my heart?

Just give me call.

I miss you, you know I really do.

Whenever you're gone.

Give me a call.

I miss you, you know i really do.

I miss you babe, I really do, whenever you're gone just give me a call.

I miss you, you know I really do.

Whenever you're gone.

Give me a call

Every time I see your face it's clear to me that you're all I need

But still I walk away

I wish I knew how to make this change

Is it impossible if I struggling in wane

All this clouds surrounding me so i cannot see

But still there's nothing I won't do to have you next to me.

But all I do is letting you down, letting you down.

So how in the world can I make you listen to me and my heart?

Give me call.

I miss you, you know I really do.

Whenever you're gone.

Give me a call.

I miss you, you know i really do.

I miss you babe, I really do, whenever you're gone just give me a call.
