

# Peabo Bryson, Why Goodbye

So are we over now  
Do we just turn the page  
Or let the story end  
Do we just walk away  
Just like we never met  
I know we said some things  
And now you want to leave  
But maybe that's no reason  
To let a good love die

{Chorus}:  
Why goodbye  
Why must it be this way  
So many words  
So many other words that we could say  
Why goodbye  
After all this time  
Can't we try  
Why goodbye

Why can't we work it out  
Why can't we talk it out  
A little more this time  
Search through the rain and find  
A ray of hope still shine  
We can just close the door  
We still are fighting for  
We've come too far together  
To leave it all behind

{Chorus}

The road that I love is never easy  
You'll get lost along the way  
But in time you will find your way through  
We can make it through the bad times  
We can make it to the good times  
Through the stormy weather  
'Cause we belong together
