

# Pearl Jam, Help Help

Tell me what I wanna hear  
This suits too good to be true  
My dear

Tell me lies  
Tell me lies, tell me  
Tell me lies, tell me

Help me

Storybook keeps from hurting me  
You see  
Shell of the man from the sea

Tell me lies  
Tell me lies, tell me  
Tell me lies, tell me

Tell me why  
Tell me why, tell me  
Tell me why, tell me

Tell me lies,...

Help me

Reservoir  
Of hate and fear  
Invisible  
In repair  
A hundred thieves  
Cast a spell  
This is hell

Help me

The man they call my enemy, I've seen his eyes  
He looks just like me, a mirror

The more you read, we've been deceived  
Everyday it becomes clearer,...

Clearer.

Not my enemy,.. no, not my enemy,..  
Don't speak for me. No, not my enemy.
