

Pearl Jam, I Believe In Miracles

I used to be on an endless run
Believed in miracles 'cuz I'm one
I've been blessed with the power to survive
After all these years I'm still alive

I'm out here kickin with the band
I am no longer a solitary man
Everyday my time runs out
Live like a fool, that's what i was about

Oh I belive in miracles
I believe in a better world for me and you
Oh Oh I believe in miracles
I believe in a better world for me and you

Tattooed your name on my arm
I always said my girl's a good luck charm
If she can find a reason to forgive
Then i can find a reason to live

I used to be on an endless run
Believed in miracles 'cuz I'm one
I've been blessed with the power to survive
After all these years I'm still alive

Oh I belive in miracles
I believe in a better world for me and you
Oh Oh I believe in miracles
I believe in a better world for me and you

I close my eyes and think how it might be
the future's here today
it's not too late, it's not too late oh

I belive in miracles
I believe in a better world for me and you
Oh I believe in miracles
I believe in a better world for me and you
