F\*\*k me in the brain (X2)  
You're drivin' me, drivin' me insane

F\*\*k me in my life...hah...  
You wanted to be my wife,huh,huh,hah...  
F\*\*k me in my brain,f\*\*k...  
I may be a...  
I don't believe nothin',even if it's true,no...

F\*\*k me,f\*\*k me,in my brain  
F\*\*k me,my ears are open,in my brain

You think I care  
'Bout those emotions you wear  
You think I care  
'Bout the way you wear your veil  
You think our love,huh  
Is so far above...oh...
